INDEX TO THE SIXTY-SECOND VOLUME OF

THE AMERICAN REVIEW OF REVIEWS

JULY-DECEMBER, 1920

The alphabetical arrangement of the subject matter is modified in some instances by the grouping of related topics under such headings as Agriculture, Aviation, Congress, Europe, Finance, League of Nations, Railroads, Soldiers, United States, and War. So far as space permits, cross-indexing of topics to general headings has been used. For material involving various countries, it will be best to look under the name of the nation. Pictures of interesting personalities are grouped under the heading, "Portraits."

Letters in parentheses signify nature of article, as (C) contributed article; (Ed.) editorial; (L) "leading article" (digested from another source); (il.) illustrated; (R) book review.
